The **Ministry of Foreign Affairs and International Cooperation of Italy** has instituted the fifth annual **Award for Italian Researchers and Startupperes operating abroad**.

The award includes two categories:

- **“Italian Bilateral Scientific Cooperation”** award to recognize an eminent Italian scientist who, in performing his/her research abroad, has made a remarkable contribution to the advancement of science and technology, thus improving Italy’s S & T relations with foreign countries and International Organizations;
- **“L’Innovazione che parla Italiano”** award to recognize the highly innovative value of technology Startups operating abroad and founded by Italian citizens.

The deadline for applications is **September 4, 2020**.

The award, which consists of a medal and a diploma from the Ministry of Foreign Affairs and International Cooperation, will be given in Rome, Italy, during the **Conference of Italian Scientific Attachés 2020** (date to be announced soon).
